Offensive Strategy: order of usage: steal - hit and run - bunt

Pinch Run : Never

Stealing

Acuna will steal often. Let him run if he meets the minimum steal rating requirement, and game is within 5 runs

2nd Base: If adjusted steal is 7 or greater then steal. Only steal if game is within 4 runs either way. Do not steal
 if runners on 1st and 3rd and 2 out, unless the runners stealing 2nd is an 10 or greater.

3rd base: If adjusted steal is 9 or greater and 1 out.

Hit and Run

Not this year, thank you.

Base running

Send all base runners if their adjusted BR is equal to or greater than the number listed for the situation.

	No Outs	One Out	2 outs
1st to 3rd	8	7	8
1st to home	7	6	4
2nd to 3rd	8	7	8
2nd to home	7	6	4
3rd to home (g)	8	7	na
3rd to home (f)	na	7	4

Defensive Strategy

Throwing

1. Cut down any runner 7 or less.
2. Cut down any runner 10 or less at the plate, if it's the tying run 7th on.
3. Cut down go ahead run at the plate 8th on no matter what the rating.
4. Cut down all base stealers of 9 or less

Infield In

9th on, if tying or winning run is on 3rd and less than 2 out.

Holding Runners On

Hold all runners
