Hit and Run

Not this year, thank you.

Offensive Strategy: order of usage: steal - hit and run - bunt**Pinch Run :** Never**Stealing**

2nd Base: If adjusted steal is 7 or greater then steal. Only steal if game is with 3 runs either way. Do not steal if runners on 1st and 3rd and 2 out, unless the runners stealing 2nd is an 10 or greater.

3rd base: If adjusted steal is 9 or greater and 1 out.

Sacrifice

Pitchers will sac bunt if there is a runner on 1st and less than 2 out. (Preference to try to steal if possible)

Pitchers rated 5-1 or 5-2 will bunt with a runner on any base and less than 2 out.

7th on: If Dodgers are tied or down 1 run and there is a runner on 1st, then all 5 or 4 bunters will sac bunt with 0 outs

Base running

Send all base runners if their adjusted BR is equal to or greater than the number listed for the situation.

	No Outs	One Out	2 outs
1st to 3rd	8	7	8
1st to home	7	6	5
2nd to 3rd	8	7	8
2nd to home	7	6	4
3rd to home (g)	8	7	na
3rd to home (f)	na	7	4

**Defensive Strategy****Throwing**

1. Cut down any runner 7 or less.
2. Cut down any runner 10 or less at the plate, if it's the tying run 7th on.
3. Cut down go ahead run at the plate 8th on no matter what the rating.
4. Cut down all base stealers of 9 or less

Infield In

7th on, if tying or winning run is on 3rd and less than 2 out.

Corners in on all 5 bunters or pitchers with less then 2 out and runners on 1st, 2nd, or 1st and 2nd

Holding Runners On

Hold all runners

Intentional Walks: None**Defensive Replacements:**

Perez for Ruiz, 8th inning on

Injury Replacements: You may move people around
Cowser can come up to PH if someone out
(better than most v R so please use him)
