

PITCHING STRATEGIES

Rotation:

	Name
1	Berrios, Jose
2	Boyd, Matt
3	Giolito, Lucas
4	Williamson, Brandon
5	Manning, Matt

Starting Pitchers:

Starters are to pitch until fatigued, go at least 2 innings unless allowed 7+runs

Relievers

Relief Pitchers will ALWAYS be pulled immediately once fatigued
 Short/closer relievers pitch a maximum of 8 batters per game unless last game of series
 Long relievers pitch a maximum of 12 batters per game unless last game of series
 If a category is exhausted, move to the next category up.
 If a set up, middle or mop up pitched last game, start with the next pitcher in the group.

Inning	Losing by 4+	Losing by 1-3	Tied or Winning by 3-	Winning by 4+
1st - 4th	Mop-up	Middle	Middle	Middle
5th	Mop-up	Middle	Middle	Middle
6th	Mop-up	Middle	Set-up	Middle
7th	Middle	Set-up	Set-up	Set-up
8th	Middle	Set-up	Set-up	Set-up
9th and on	Middle	Set-up	Closer	Set-up

Change pitchers as soon as the situation requires one.

Closer	Smith	Duran	Scott
Set-Up	Duran	Scott	Smith
Middle	Winckowski	Fulmer	Mayza
Mop-Up	Priester	Mayza	Fulmer

Extra innings - pitch current pitcher until he reaches the batters faced listed above,
 Then use this order, and pitch until tired:

Smith
Duran
Scott
Winckowski
Fulmer
Mayza
Priester
